

The Jungle Reading Schedule

It is **YOUR responsibility** to keep up with the assigned readings, **EVEN IF YOU ARE ABSENT**. The assigned chapters need to be read for class by the dates provided.

Do not forget to **annotate as you read** as you will need quotes for your second draft of the American project as well as for the unit project.

The questions you should be trying to answer as you read (and gather quotes for) are:

1. What does it mean to be an American?
2. Why come to America?
3. How do Americans demand change?
4. How does an author argue through story/narrative?

As you read, try to identify the **AUTHOR'S TONE**. What words does Sinclair use to help argue his point?
